NAS LEMOORE INSTRUCTION 1710.13E

From: Commanding Officer, Naval Air Station, Lemoore

Subj: HUNTING ABOARD NAVAL AIR STATION (NAS) LEMOORE

Encl: (1) Map of NAS Lemoore

1. Purpose. To publish rules, regulations, and procedures for all personnel desiring to hunt on board Naval Air Station Lemoore.
2. Cancellation. NASLEMINST 1710.13D
3. Scope. This instruction applies to all military and civilian personnel, including guests, desiring to hunt within the boundaries of the station during approved hunting seasons.
4. Background. Hunting within the out-leased areas is permitted concurrent with the opening dates established by the State of California Department of Fish and Game. Since the crops are the personal property of the farmers (lessees), extreme care must be exercised not to damage or destroy such property when hunting in these areas. Individual lessees may exercise their right to revoke or restrict hunting within their parcel(s), in which case "NO HUNTING" signs shall be posted by the lessee(s) and observed by all hunters.
5. General. Station Hunting Permits are issued by the Pass and Decal Division of the Security Detachment, beginning approximately one week preceding the opening of each season or split season. Permits shall be valid for 30 days. Issue dates and procedures shall be determined by the Security Officer and announced via the Golden Eagle and/or the Weekly Planning Bulletin. Transfer of hunting permits to other individuals is prohibited.
6. Action
 - a. Security Detachment. Military Police shall provide routine patrol coverage and surveillance over the out-leased

areas throughout the hunting seasons and conduct periodic identification checks of personnel within these areas. Personnel found hunting without Station Hunting Permits and/or a valid State Hunting License will be detained and delivered to the appropriate civilian/military authorities, as appropriate. The Pass and Decal Division of the Security Detachment shall issue a map along with the hunting permit to show RESTRICTED HUNTING AREAS. Darkened areas on the map will denote NO HUNTING AREAS within the confines of Naval Air Station Lemoore. A map will be maintained by Pass and Decal Division for viewing by any person having questions regarding the hunting areas.

b. Farmers/Lessees

(1) Shall be individually responsible for posting "NO HUNTING" signs or other restrictions, should they desire that no hunting will be permitted in their respective parcel(s).

(2) Refer all incidents of property damage/destruction or failure to obey posted signs to the Security Detachment for appropriate action.

c. Hunters

(1) Prerequisites: Obtain passes by satisfying the following requirements:

(a) A valid California resident (or nonresident) hunting license. Hunting is restricted to pheasant and dove.

(b) Security personnel will inspect all weapons brought aboard NAS Lemoore. Weapons will be unloaded and remain in the vehicle while the inspection is conducted. Weapons will not be brought into Building #705 for inspection. Weapons authorized for hunting are shotguns no larger than 12 gauge. Shotgun ammunition will not be greater than #4 shot.

(2) Responsibilities

(a) Exercise care, safety, and common sense at all times while hunting.

(b) Obey all "NO HUNTING" or restricted hunting signs when posted.
